HANNES HEINRICH

Website: www.hannesheinrich.com
Date of Birth: 1989 in Königsberg, Germany
Residence: Munich, Germany
Education: 2010-2017 Diploma at AdBK Munich
as Karin Kneffel's master student
2013-2014 DAAD scholarship at
Slade School of Fine Art
London

Hannes Heinrich's approach to painting is driven by a philosophical desire to question everything. He focuses on the appearance of objects, disregarding their function. In his studio, he uses charcoal to paint the objects and wrap them in unstretched canvasses. The traces left behind by the objects become the starting point for his compositions, revealing a unique and liberating perspective. By inviting viewers to reinterpret these objects, Heinrich encourages a deeper understanding of the world around us.
