Jieun Park is a promising young artist hailing from South Korea. She honed her skills at Chungbuk National University in Cheongju before moving on to study at the Academy of Fine Arts in Munich, where she was mentored by Jorinde Vogt and received her diploma from Johanna Reich in 2021. In addition to her expertise in painting and drawing, Park also explores her creative expression through performances, which she captures and projects as video works on walls. Jieun Park challenges the viewer to take a closer look.
